WeLab Bank – Assistant Manager, Loan Product

Description

WeLab is a leading pan-Asian fintech platform, serving more than 50 million individual users and over 700 enterprise customers, which operates one of the first licensed digital banks in Asia – WeLab Bank, as well as multiple leading online financial services businesses, including WeLend and WeLab Bank in Hong Kong, WeLab Digital, Taoxinji, Wallet Gugu and Tianmian Tech in Mainland China and Maucash in Indonesia. WeLab aims to bring joy to everyone's financial journey, striving to improve people's lives by reinventing financial services through our game-changing technology.

At WeLab, they always put their people first. Embarking on a career with WeLab means being part of the driving force to make financial services accessible for everyone. In a flat and agile organization, you will get all the opportunities to make real impacts and deliver change. Most importantly, while you achieve greatness, the team will ensure you have an amazing experience at WeLab!

WeLab's team is energetic and passionate who can deliver and execute, and they are looking for intellectually curious, open-minded, and smart-working individuals who are just as passionate as the team is about making financial services enjoyable.

Join WeLab to build a better financial future for everyone!

Responsibilities

- Formulate business plan and new initiatives to grow the personal loan business
- Assist product manager to achieve loan business targets
- Drive the development of new features and product enhancements on personal loan business
- Work closely with stakeholders to launch loan campaigns
- Ensure the loan product and end-to-end journey are in compliance with internal and external governance and regulatory standards
